Material considered confidential by the offeror must be clearly identified, and the offeror must include a brief statement that sets out the reasons for confidentiality. See the North Dakota Office of the Attorney General website for additional information.

<http://www.ag.state.nd.us/OpenRecords/ORM.htm>

After award, proposals will be subject to the North Dakota open records law. Records are closed or confidential only if specifically stated in law. If a request for public information is received, the procurement officer, in consultation with the Office of the Attorney General, will determine whether the information is an exception to the North Dakota open records law, and the information will be processed appropriately.

7.11

Evaluation of Proposals

All proposals will be reviewed to determine if they are responsive to the requirements of this solicitation. The procurement officer or an evaluation committee will evaluate responsive proposals. The evaluation will be based solely on the evaluation factors set forth in this RFP. The evaluation will consider information obtained subsequent to any discussions with offerors determined to be reasonable for award and any demonstrations, oral presentations, or site inspections, if required in this RFP.

7.12

Right of Rejection

The State reserves the right to reject any proposals, in whole or in part. Proposals received from debarred or suspended vendors will be rejected. The procurement officer may reject any proposal that is not responsive to all of the material and substantial terms, conditions, and performance requirements of the RFP.

Offerors may not qualify the proposal nor restrict the rights of the State. If an offeror does so, the procurement officer may determine the proposal to be a non-responsive counter-offer and the proposal may be rejected.

The procurement officer may waive minor informalities that:

- do not affect responsiveness;
- are merely a matter of form or format;
- do not change the relative standing or otherwise prejudice other offers;
- do not change the meaning or scope of the RFP;
- are insignificant, negligible, or immaterial in nature;
- do not reflect a material change in the work; or
- do not constitute a substantial reservation against a requirement or provision,

The State reserves the right to reject any proposal determined to be not responsive, and to reject the proposal of an offeror determined to be not responsible. The State also reserves the right to refrain from making an award if it determines it to be in its best interest.

7.13

Clarification of Offers

In order to determine if a proposal is reasonably susceptible for award, communications by the procurement officer or the proposal evaluation committee are permitted with an offeror to clarify uncertainties or eliminate confusion concerning the contents of a proposal and determine responsiveness to the RFP requirements. Clarifications may not result in a material or substantive change to the proposal. The initial evaluation may be adjusted because of a clarification under this section.

After receipt of proposals, if there is a need for any substantial clarification or material change in the RFP, an amendment will be issued. The amendment will incorporate the clarification or change, and a new date and time established for new or amended proposals. Evaluations may be adjusted as a result of receiving new or amended proposals.

7.14

Discussions and Best and Final Offers

The State may conduct discussions or request best and final offers with offerors that have submitted proposals determined to be reasonably susceptible for award. The State is not obligated to do so, therefore, vendors should submit their best terms (cost and technical). The purpose of these discussions is to ensure full understanding of the requirements of the RFP and the offeror's proposal. Discussions will be limited to specific sections of the RFP or proposal identified by the procurement officer. Discussions, if held, will be after initial evaluation of proposals by the proposal evaluation committee. If modifications to the proposal are made as a result of these discussions, the modifications must be put in writing.

Offerors with a disability needing accommodation should contact the procurement officer prior to the date set for discussions so that reasonable accommodation can be made.

7.15

Preference Laws

The preference given to a resident North Dakota offeror will be equal to the preference given or required by the state of the nonresident bidder. A "resident" North Dakota bidder, offeror, seller, or contractor is one that has maintained a bona fide place of business within this State for at least one year prior to the date on which a contract was awarded. For a listing of state preference laws, visit the following website: http://tpps.das.state.or.us/purchasing/pref-law/reciprocal_detail.php or contact the North Dakota State Procurement Office at 701-328-2683.

7.16

Contract Negotiation

After final evaluation, the procurement officer may negotiate with the offeror of the highest-ranked proposal. Negotiations, if held, will be within the scope of the request for proposals and limited to those items that would not have an effect on the ranking of proposals. If the highest-ranked offeror fails to provide necessary information for negotiations in a timely manner, or fails to negotiate in good faith, the State may terminate negotiations and negotiate with the offeror of the next highest-ranked proposal.

If contract negotiations are commenced, they will be held by telephone, electronic mail or at:

Northeast Human Service Center
Suite 401
151 South 4th Street
Grand Forks, ND

If contract negotiations are held, the offeror will be responsible for all cost including its travel and per diem expenses.

7.17

Notice of Intent to Award - Offeror Notification of Selection

After the completion of contract negotiation the procurement officer will issue a written Notice of Intent to Award and send copies to all offerors. The Notice of Intent Award will set out the names and addresses of all offerors and identify the proposal selected for award. The scores and placement of other offerors will not be part of the Notice of Intent to Award.

The successful offeror named in the Notice of Intent to Award is advised not to begin work, purchase materials, or enter into subcontracts relating to the project until both the successful offeror and the State sign the contract.

7.18

Protest and Appeal

If an interested party wishes to protest the content of this RFP, the protest must be received, in writing, by the procurement officer at least seven calendar days before the deadline for receipt of proposals.

If an offeror wishes to protest the award of a contract or proposed award of a contract, the protest must be received, in writing, by the procurement officer within seven calendar days after the date the Notice of Intent to Award was issued.

However, should a breach by the Vendor be caused by circumstances, beyond the control of the Vendor, and no fault of its own, so as to render the agreement impossible of performance by the Vendor, then the agreement shall be terminated. In the event of a breach, by the Vendor, in such circumstances, the State may set off, against any liability or obligations owed to the Vendor, under this agreement or otherwise, any amounts paid for individual items of work which are incomplete at the time of the breach, but shall not be entitled to liquidated damages.

X. INDEMNITY

Vendor agrees to defend, indemnify, and hold harmless the State of North Dakota, its agencies, officers and employees (North Dakota), from any and all claims of any nature, including all costs, expenses, and attorneys' fees, which may in any manner result from or arise out of this agreement, except for claims resulting from or arising out of North Dakota's sole negligence. The legal defense provided by Vendor to North Dakota under this provision must be free of any conflicts of interest, even if retention of separate legal counsel for North Dakota is necessary. Vendor also agrees to defend, indemnify, and hold North Dakota harmless for all costs, expenses, and attorneys' fees incurred in establishing and litigating the indemnification coverage provided herein. "Follows form" means the excess policy must be written with the same terms and conditions as the policy to which it is excess.
- 3) North Dakota will be defended, indemnified, and held harmless to the full extent of any coverage actually secured by the Vendor in excess of the minimum requirements set forth above. The duty to indemnify North Dakota under this agreement shall not be limited by the insurance required in this agreement.

- 8) Failure to provide insurance as required in this section is a material breach of contract entitling State to terminate this contract at any time effective upon delivery of notice to the Vendor.

The State agrees not to disclose any information it receives from the Vendor which the Vendor has previously identified as confidential and which the State determines in its sole discretion is protected from mandatory public disclosure under a specific exception to the North Dakota open records law, North Dakota Century Code § 44-04-18. The duty of the State and the Vendor to maintain confidentiality of information under this section continues beyond the term of this agreement, including any extensions or renewals.
